

VELOX VFD500

Metal fire dome for VCS500EN/VCS500ENC

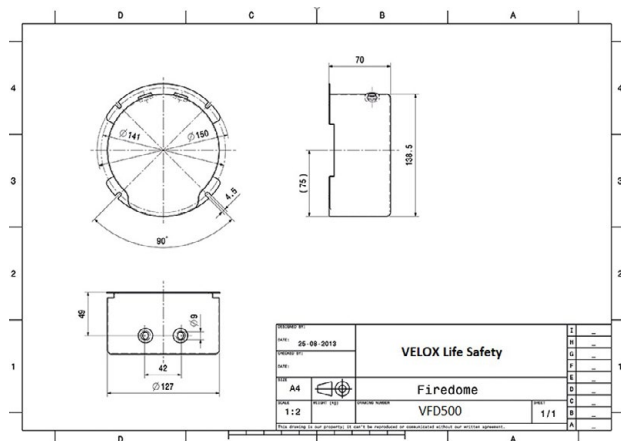

The Design

The VFD500 is a fire dome in a full metal design in white. This product can be used instead of the high-quality PET-plastic contact protection for VCS500EN / VCS500ENC. The product will be delivered with rubber grommets and installation screws.

Standard & Approvals

- Modular Design
- Complete Metal
- High Finish Powder Coat
- Complies with BS5839
